

## Covid-19 Measures

### Important information to employees and suppliers staying on ResQ's locations

- People with symptoms of Covid-19 and close contact to the confirmed infected, should not stay at ResQ's locations. People who meet on location with symptoms will be asked to leave immediately.
- All employees in ResQ are discouraged to travel abroad. When arriving from countries that are not defined as yellow zones, the 10-day quarantine applies before coming back to work. The employer must be notified if the employee is going on trips that pose a risk of quarantine.
- Suppliers and visitors to ResQ's locations **must** comply with all the authorities' quarantine rules.
- Keep a distance from others, at least one meter.
- Lunch is served in accordance with guidelines from FHI.
- Everyone working at one of ResQ's locations must follow our infection control measures and ensure cleaning and disinfection of affected surfaces.
